1986-87 SEASON

# Editorial Editorial Editorial Editorial Editorial

First of all welcome to the 10th Anniversary Dinner and Presentation Night of Warringah Cricket Club. Both present and past players are to be congratulated on the part they have played in making our club what it is. A special thank you also to the parents of players who have also contributed greatly. The club had another successful season, finishing well up in the club championship and fielding two teams in the semi-finals. Unfortunately, for various reasons, they were unable to go on and break our premiership duck. But not to worry, it will happen - and soon.

Despite the lack of trophies in our cabinet 1986-87 was a very successful season for Warringah. We uncovered a number of exciting young players including Geoff Tucker, Steve Bartlett, Brendan Riddick, Peter Banbury, Mark Langridge, Brett Walch, Shaun Bradstreet, Andrew Noble, Russell Pearce, Dave Miller, and Damon Emtage. Equally as pleasing was the resurgence of old hands such as Bones, Dave Morris, Simon "Grimace" Masman, Dave Gordon, Murray Pitt, Norm, and Simon Barnes.

And then there was our success in the Alternative Ashes Series, the Melbourne Cup night, the Christmas Party, the golf days, and every Saturday night at the club house. Everyone, no matter what sort of season they had personally, contributed to

the club's unstoppable progress towards a squad of teams which will soon win us not one but many premierships. To that end I would encourage all players to front up next season so that we can fully take advantage of the hard work you have put in this year. I say this particularly to the young players who have just finished their first season with the club. We have put a lot of work into developing you into senior cricketers and we would like to finish the job before we pack you off to grade. While your first season will have been very exciting and in many cases very successful don't feel that you know it all. Until you have completed at least one solid year in A grade you are not ready for grade. We know that from experience. Very few, in fact virtually none, of the players we have sent to grade have made a success of themselves unless they have proved themselves at the highest level in Shires. Please think very seriously about our offer because we only want the best for you, and the club of course, and would hate to see you go before you are ready. We also value the friendships we have forged with you and would not like to see those end prematurely.

So. Enjoy yourself tonight. Have a restful off-season and we'll see you back at the nets in August. See you then.

## OTHER TOP PERFORMANCES:-

Simon's aggressive and entertaining innings.

Greg Allsop - a well-compiled innings, taking over where Simon left off.

## CAPTAIN'S REPORT:-

A very strong win - that makes it five in a row. We lost the toss and bowled. After nine overs Linfield were 3 for 17 and battling against good line and length bowling from JM and Barney. Graig and Steve then took over and both bowled excellently in tandem to capture three wickets each. Good team fielding once again contained the opposition to a mediocre score. Our batsmen then made light work of the required runs and with Simon "Grimace" Massman in aggressive form scoring 57 (including 10 fours) only 29 overs were needed to win with six wickets in hand.

Man of the Match: CRAIG TOMMERUP - a gutsy bowling performance with an undisclosed back injury.

CAPTAIN'S REPORT:-

A big test for us and we excelled. Our batsmen hit up a commendable score and gave us something to bowl at. Steve's innings was a gem and he hit all bowlers out of the ground. Pete Browning hit five glorious sixes in his powerful innings as Dave Morris stroked his way to a fine 32 - first scoring shot in the creek for six. Pennant Hills had no answer to our excellent fielding and consistent line and length bowling. A new shock bowler emerged in Dave Morris who stuck at his task well after conceding 28 runs off his first three overs. A top team win - the final next week.

CAPTAIN'S REPORT:-

Third loss in a row - what a disappointment. Poor bowling in the first two hours allowed Lindfield to score 170 for 3 wickets. Rosa and Stolk then found bowling at the stumps and to the field most profitable. Hence 7 wickets for 70 runs.

Not chasing an impossible total, a poor start then good contributions by Damon, Murray, and Bones enabled us to be in the hunt. Sadly, we could not make it. However, the poor run is behind us - let us make it two in a row from now on. The potential is there - the desire is there.

Due to last week's weather, we finished the day at 1-68, we needed quick runs - which we got (125 runs in 65 minutes). On a good batting track we were unable to bowl the other team out. But we had our chances, we just didn't take them.

MAN OF THE MATCH: PAUL MULVANY FOR TOP SCORING AND TAKING TWO SAFE CATCHES AND FOR KEEPING WELL IN THE SECOND STANZA.

## CAPTAIN'S REPORT:-

The first day of our game was washed out and accordingly the game became a one-day fixture. Epping won the toss and the game by putting us in on a sticky wicket in 27 degrees. Their bowlers were superb in the conditions and with all at stake we were unable to recover from the loss of early wickets, seeing us all back in the shed for a mere 63 runs. Full marks to the Epping bowlers. As the pitch dried, batting was a far less assiduous task. Protecting 63 runs, we had to attack and early luck did not favour us. In the interests of making a game and giving us a chance of the two points needed to make the finals, the Epping captain agreed to a declaration and we set about quick runs. Ruefully they did not come quickly enough to set them a task of 120 from 20 overs. Instead the target was 86 from 16 overs and Epping did it in a canter. Congratulations to Epping for the standard of their play and for being even minded enough to give us a go.

OTHER TOP PERFORMANCES:-

MAN OF THE MATCH: BRENDAN RIDDICK FOR A WELL COMPILED 47.

CAPTAIN'S REPORT:-

Our win was established by some very accurate bowling and an opening stand of 60. Macquarie was never in the race despite some excellent bowling in the first 12 overs of our innings. Full marks to Brendan Riddick and Andrew Mulvany for sheer determination which broke the spirit of the bowlers and fielders alike. The Macquarie batsman allowed our bowlers to dictate terms with Peter Banbury again showing outstanding ability as a spinner taking 3/15 from 8 overs. Dave McCarthy showed the benefit of a Fosters incentive with a double wicket maiden in his fourth over and losing no time in claiming his spoils in the Warringah Clubhouse! Mark Segreto and Andrew McLennon chimed in well, each bowling 8 overs taking 1/25.

A good all round performance. Our thanks to Paul Brandon who on very short notice, filled the vacancy created by the promotion of Geoff Tucker to the "A"s.

OTHER TOP PERFORMANCES:-

MAN OF THE MATCH: BRENDAN RIDDICK (AGAIN) FOR AN AGGRESSIVE BUT CONTROLLED INNINGS.

CAPTAIN'S REPORT:-

A fitting way to end the season. Our victory was at no stage in doubt due firstly to some good bowling and secondly to an opening stand of 84 between Brendan Riddick and Andrew Mulvany. Special thanks to Paul Brandon and Mark Langridge for filling vacancies within our team.

The game was played in excellent spirit, reflecting the sportsmanship encouraged by both clubs. For older members of the Club, John Mitchell opened the batting for Pennant Hills and compiled 17 before leaving one on middle peg. He also claimed the only wicket to fall in our innings.

I would like to compliment our Colts on the sportsmanship displayed throughout the season and on their approach to the game. I thoroughly enjoyed the season and wish each player every success in higher grades next season.

### CAPTAIN'S REPORT:-

This match was washed out the first week so both captains agreed to a one-dayer. After finally winning a toss and batting we got off to a sound start being 4-89 at lunch. However the tail did not wag for once and we finished at 111 all out. This was simply not enough against the team coming equal first. Morrissey and Grattan were really the only batsmen in control of the bowling and praise must go to them for a good effort. The bowlers did not start well enough despite defending that total and despite a great fightback they won with three wickets in hand. Special mention should be made of Steve Lane's bowling.

Man of the Match: MARK MORRISSEY.
