

WARRINGAH CRICKET CLUB

NEWSLETTER

1990/91

Editorial

Hello and welcome players and supporters alike to the special bumper Christmas addition of the Warringah newsletter.

I have cut short crisis economic talks with Gorby to make sure that I am in attendance for

A. the Christmas party

B to witness the annual grudge match against Wenty.

It would appear that things are improving if not perfect on the playing field. We are now in 4th spot on the club champos and could of been second if the A's were not so unlucky against Bexley.

What about A Grade. It appears the are starting to hit there straps after a slow start. Pennant Hills was not in the same class and we had Bexley by the balls but did not squeeze (in time.). Congratulations to Steve Young for his magnificent 136 not out. Apparently I was told this is a Record. Also David Miller for his fivefa V. Bexley. Keep it up Mr. Miller.

B grade are still in the four thanks to the efforts of Ian Rockwell and Mother Nature. That batting effort against Bexley was pretty piss poor. Your captain deserves more support when he wins the toss and bats at Weldon. 140 does not win many games or comps. A couple of ex A graders step into the room.

Last weeks B grade fixture saw the return of a of a man who should of entered the room a few times but his head could not fit, Craig Tommerup. Good to have back T. Its your shout!

By the way Grattan you owe the club a New ball. 2/96 off 13 ???!

Roys boys are also in the four due mainly to Sex, Drugs and rock and roll. Massey you are a legend! Jim Morrision found himself drowned in a Paris bath tub after a Simon Massey like Friday Nite. Massey not only survives but takes wickets and scores runs. This is not to be attempted by you kids at home unless supervised by an adult.

D grade the pride and joy of the club are winning the comp. And rightly. They have the best players in the club due to their sneaky captain. They often say " Sack Blair He's no Bronzed ANZAC He's a Water Buffalo" Well obviously these people have never seen him at a selection meeting. He's worth at least 50 runs to the side.

Alternative Ashes 1990/91

The club is again taking part in the Alternative Ashes. This involves various Australian Teams playing touring English Teams. Warringah are the current holders of the Alternative Ashes having won them on the clubs last tour to England.

Over the first two weeks of January we will be playing 4 tournament games and 3 social games. The games are on the following days:

30th December 1990

2nd January 1991

3rd January 1991

7th January 1991

8th January 1991

10th January 1991

11th January 1991

The club would like all club members to make themselves available for at least one game. It is an ideal opportunity for club members from A to D Grade to play together as a club and with other players with who you never get the chance to play with.

At the conclusion of these matches the club will be providing dinner for all players, supporters, wives, club members etc of both teams. All the games will be played at Weldon so there is no excuse for not playing at least one game.

As well as the cricket there are the following social activities:

- (1) Welcome function on the 29th December. A bus is leaving from Weldon and it is hoped that at least 20 people will be able to go. Again the club will pay for all the people who attend.
- (2) A Golf Day is being held on the 14th January at Warringah Golf Club. This should be a great day and it is hoped that as many people as possible can play.

A copy of the itinerary is on the noticeboard as well as a list for you to put your name on indicating on what days you are available. Obviously the more people who play the better.

If you are any questions please contact David Gordon at the club or at practise.

Report.

This was a fairly easy game for us. We bowled very well on the first day to get them out for 158. All the bowlers bowled lustily with Mike Smith bowling very well after tea to take 4. He was well supported by Cray & Steve.

On the second day we belted their bowlers all over the park & passed them 2 down at 3.00. Rocky batted superbly & only trying to get quick run made him lose his wicket. Paul also batted very well.

We opened the game up after tea & tried to force an outright. We needed 160 off the last 20 overs & fell 40 runs short.

In summary a very satisfying win.

CAPTAIN'S REPORT:

A positive win by our boys against a team of negative cricketers lead by a loser captain. P. Hills batted on the 2nd day for another 16 overs and generously left us 66 overs to get 245. Inspired batting by our top order paved the way for a victory after 64 overs. An excellent performance and we have now turned the tide and we will be difficult to beat from now on. Dave Pearson to cut off his left foot to cure his no-ball problem.
