

Warringah Cricket Club

Newsletter No.3

1995-96

Well, what a great start to the season. A clean sweep against Roseville with the Thirds claiming outright points just for good measure. Just as importantly, the Firsts were able to wrap their game up at around 2:30 pm which coincided beautifully with the kick-off of the AFL Grand FinalGo Blues!

The second round against Auburn concluded with 3 wins out of 4, but I'm sure the 3rds will make amends against the PWCs from Blacktown.

Its good to see the young guys performing well, Owen Phillips must think cricket is an easy game...13 wickets and plenty of runs, keep it going Owen.....there's a number three batting slot in the ones waiting for you.

Mike Day made 93 (his second 90 in as many years). Mike you've got to go on with it and get a 94! Other good performances appear later in the newsletter.

Night*

Sat 28th October

Sportscene

A big welcome to a new sponsor. Sportscene from

Warringah Mall are sponsoring the club by providing the Man of the Round with a \$30 gift voucher. Any club member identifying themselves with their club membership card at the store will also get a 10% discount. So how much more encouragement do you need to support your sponsor!

Subscriptions

For all those who have paid their subs, you can collect your membership card from Mike Fittler. Remember that subs are discounted \$50 if paid prior to 1st November.

Player Unavailability

Despite our success on the field, the number of players declaring themselves unavailable is becoming a concern.

Please do all you can to ensure you're available all year round, and if you have to declare yourself unavailable, be prepared for a Royal Commission.

Obviously, the more notice you can give, the less pain will be inflicted on

you by your skipper! I know some of you like a bit of pain (eg. Dave Morris Hellfire Club season ticket holder) but we're talking serious pain of the

unenjoyable type....Roger has threatened to sit on offenders wearing only his smelly jock-strap.

Training Attire

You are reminded that training attire consists of a white shirt and tracksuit

pants or shorts. The new club shorts are ideal for this so there should be no excuses. If you're unsure whether your black Iron Maiden T-shirt qualifies, see your captain!

Trivia Night

In case you've spent the last few weeks in the Siberian salt mines, the Trivia Night is on Saturday 28th October. Get

a table together and help make a great night. See your captain about tickets immediately and start selling them to your friends and/or workmates. Tickets are

\$10 each and prepayment is appreciated. Categories will include such things as sport, entertainment, sport, local knowledge and sport, plus more. So don't feel intimidated!

***Did I mention the
Trivia Night?***

SOCIAL ACTIVITIES

A Social Committee has been formed to put a schedule of events together for season 1995-96. Members include:

Mark Stewart (Errol)
Dave Millar (Idiot)
Joyce Peart (Mrs Head)
Louisa Anderson (Lovely woman)
Mark Anderson (Ando)

If you have any ideas, don't keep them to yourself, see one of the above.

TRIVIA FRENZY

DATE: Saturday 28th October 1995
WHERE: Freshwater Surf Life Saving Club
TIME: 8:00 pm
COST: \$10.00 (includes nibbles and prizes)
Drinks will be sold at usual prices.

Come along and support the club in what promises to be a huge night. Organise your own table with your mates and test your knowledge of trivia. Tables will be made up of 10 people, and the club is expecting a big turn out.

See someone from the Social Committee to reserve your table.

RESTAURANT NIGHTS

Throughout the season the club will be having nights where we will head off to a local restaurant after a game. This will be a good opportunity to involve our partners or to just have a good meal and a quiet drink after a hard day on the paddock.

The first of these nights is scheduled for Saturday 14th October.....yes tonight, at an Shandar Tandoori Indian Restaurant in Harbord. If anyone has ideas for future restaurants, let the Social Committee know.....we don't want to travel too far though!

The Christmas Party will be one of these nights, so keep Saturday the 16th December free. At this stage it is planned for Five Beaches Restaurant in Manly.

Doctor Truth

Dear Doc,

I'm writing to you as I'm feeling a bit down at the moment. A few people at the club are beginning to think that I'm gay and I don't know how long I can put up with the charade. Should I "come out of the closet" and clear things up? How does one do this?

For years I've been considered "macho" and a real ladies man but this has just been an image that I've gone along with. When my skipper won the toss on a green deck last game, several team mates heard me offer myself to him, and I fear this will spread around the club like wildfire over the coming weeks. I tried going to the Steyne Hotel last Saturday Night with the boys and pretended to find a woman to maintain the cover, but my attempts were so feeble and clumsy that I'm sure they're awake to it.

Please let me know what I should do. I'm going overseas in November so a prompt reply would be appreciated.

Yours (Name and address withheld)

Dear Anon,

It seems like you're in a real pickle. Given that November isn't too far away, you'll probably be able to put the inevitable off till you go overseas, but sooner or later you'll have to come clean. As they say in the classics, "Beauty is in the eye of the Beer Holder!" Its your call.

Let me know what you decide to do

Good first up win against a team that wasn't be there at the end! Ando batted like a champion & held the side together with 94, well supported by Cam Lawes in his 1st grade debut (it's nice to see a Lawes with a brain) & Tunks Ronan! We were a bit flat in the field at times, taking wickets 2 or 3 at a time, & then letting them get away. At 5/150 Roseville would have backed themselves, but we were never in doubt with Pete & Tunksie bowling very well, & being well supported by the fieldsmen!

CAPTAIN'S COMMENTS.

Wow the toss a bit of a green one, & batted a very ordinary side after a good effort by all the bowlers & the fielders. Had 22 overs to bat & Enol & Doogie got us off to a good start before Doogie fell. Ando forgot his miners hat, & we were 2/42 when bad light stopped play! Following week, we looked like doing it easy until the umpires decided to get in the game & 5 L.B.W's later, Sean & Chappo got us thru, after Enol put together an excellent 44 (incl. 2 boundaries in front of square). They batted again & decided to bat for a long time instead of making a game of it, but lets face it, if you lived at Auburn,

Winning THE Toss & Bowling first on a track which gave the medium pacers plenty of assistance with all three bowling well. Taking 3 wickets a piece & a brilliant run out to Andrew Noble. With the bat a very well compiled 64 from Andrew Evans & an unbeaten 40 by Steve Cole being the highlights. What turned out to be a relatively easy victory but we have plenty of improvement especially in the field

CAPTAIN'S COMMENTS.
 This was a great way to start our season. Roseville won the toss & decided to bat first. Our opening bowlers bowled a tight line & quickly were rewarded with a break through. The game changed when Owen came on to bowl his leg-spin & we finished them off for the ordinary total of 84 by tea. We laid up 160 by the end of play for the loss of 5 wickets with Owen doing well with a dazzling 56 runs. We declared straight away the following week & through some great bowling by Owen & Matt

MAN OF THE MATCH : Owen Phillips

MacConstra rolled them for only 114. We scored the necessary runs only losing 1 wicket for a top outright victory.

CAPTAIN'S COMMENTS.

We bowled first & with constant pressure & some tight fielding rolled them for 134 after 79 overs. We lost one of our openers late that first day & were 1 wicket down for 5 runs after week 1. Unfortunately we didn't bat well on the second week of the game & we struggled to build any ~~one~~ decent partnerships. Apart from some solid rear guard batting from Jason Haines we folded for only 111 after only 65 overs.

CAPTAIN'S COMMENTS.

Our openers, Mick Hawkins and Scott Ward got us away to a great start (88 run partnership) which set the stage for a big total. Although we got bogged down in the middle stages, Ritchie Rainey put his head down with a fine 28 and Grant Thompson bashed 31 runs off only 16 deliveries (2 fours 2 sixes).

Our opening bowlers struggled and let Auburn get away for 60 runs off only 10 overs. At this stage I threw the Ball to Roy who steadied the ship once again. Louie bowled very well and Ritchie came back strongly snaring 3/12 after tea to roll Auburn all out. Unfortunately only 3 runs past the follow-on
