

Warringah Cricket Club
 Newsletter No.6
 1995-96

Well done 2nds, 3rds and 4ths. The As will try to pull their weight (and there's a fair bit of it) this week against Strathfield, and help the Club stay on top of the Club Championship Table. We are currently on top of the Club Championship, 158 points clear of second.

Afternoon Tea

Just a gentle reminder to bring afternoon tea if you're playing at home.

We have been putting on a pretty good spread, even better than Roseville (I'm sure they put a lot of effort into that packet of Monte Carlos), but no-one should be scumming off their teammates. Bring a plate.

Christmas Party

We have booked out Rhubarb's Restaurant in Harbord. Unfortunately it can only handle 50 people so its a matter of the first 50 people to pay up,

get in. A considerable amount of effort went into selecting a place that most people can afford at this time of the year, as most places were charging hefty prices for beers etc. Details are in this newsletter.

Sponsors

Don't forget our sponsors as they have made major contributions to our club and helped keep our subs down..

Ring Ian Rae (Gleeson &

Gordon) or Steve Cole (Isaacs & Cole) about any accountancy or financial matters, on your NOKIA mobile phone (Murray Pitt) while having a beer at the Steyne Hotel. You can then duck over to Warringah Mall and buy all your sporting goods at Sportscene.

STEYNE HOTEL RAFFLE:

The following page has the latest roster for the Sunday night raffle, please check to see when you have been rostered on. The person listed first is responsible for making sure that the other person is available to help that night and to collect from myself the raffle tickets and money to buy the prize.

If your name is not listed on the roster and you can help two nights per year it would be appreciated by your committee. Should you be unable to do the raffle on your designated night swap with someone, but please don't leave it until the night before. If you have any problems please contact me.

The prize now consists of one bottle of Bourbon (either Jack Daniels or Black Label Jim Beam) and a fifty dollar note. It takes less time to sell one of these raffles than it did to sell the three meat trays and we make the same profit. On a night when there is a good crowd two raffles are possible. Tickets are \$2 each or 3 for \$5. If someone wants to spend \$10 they get 7 tickets.

Should a customer not like the bottle on offer it can be exchanged by you for any alcohol of their choosing from the bottle shop of the equivalent value.

On behalf of the rest of the Club and the Management Committee thank you for your help;

ROGER CURRY,
PRESIDENT.

Showbags	15	Ids	13	7	36	4
Sean	10*	Ando	8	7	10	1
		Sean	10	7	20	0
		Tunksy	10	7	45	0

Not much to say really! Won the toss on damp wicket that would only get better during the day. We fielded well in patches, and the bowling was quite tight (2-48 off 19 overs at lunch), before they got away and ended at 193 for 9 - P. Toohey on song for them (for all the kiddies born after 1980, he'd played 15 tests by then). However, the track was playing well now, and their total was very gettable on Weldon.

Bags got a dodgy one to start us off, and a combination of very good bowling, fielding, and poor shot selection, saw us off. Mike Day topped score again, and Sean was left at the end. We'll put this behind us, and get back into it next game against Strathfield! Keep positive 1st grade, we'll be back!

Cameron Lawes	47	Stewart Ryan	22	6	77	3
Murray Pitt	47	Rex Wightley	26	9	45	4
Steve Cole	20					

We won the toss and elected to bowl on a track that was rolled mud on top and soft underneath. After playing on this track before I expected it to pop but it played quite well although it kept low all day. Rex Wightley bowled exceptionally well in two spells to end the day with 26 overs. At the other end, Stewart Ryan bowled 22 overs (while not up to his usual high standard) finished with 3 for 77.

It should be said that the fielding effort was exceptional and the efforts from Rex, Scott Chapman, Cameron Lawes, David Mostyn, David Morris, and Gavin Peart had a blinder.

With the bat, Cameron Lawes and Murray Pitt led the way with 47 a piece and an adventurous 20 from Steve Cole helped see us through to a total of 152 for 7. We did lose it a bit at the end when we lost 3 wickets for 10 runs.

Best Fieldsman: Gavin Peart
Man of the Match: Rex Wightley

Batsmen.	Runs	Bowlers	O	M	R	W
Mike Lay	42*	Matt Macoustra	17	2	64	2
Andrew Evans	30					
Numbers	28					
Matt Macoustra	25*					

Epping batted first on a very flat deck and fast outfield. We attempted to bowl a tight line and be very tight in the field. Our pressure in the field did pay off when Monty and then Nick Rainey both pulled off sensational pieces of work to run out two of Epping's top bats. At the end of the day, Epping were 7 down for 271.

The following week was overcast and raining which made our run chase very difficult. The highlight of our innings was the gritty batting of Mike Lay, Andrew Evans, and Matt Macoustra who helped us to fine draw.

Best Fieldsman: Monty and Nick Rainey

Numbers	34	Dave Banbury	25	13	27	1

They batted first and after a shaky start batted very slowly using their pads rather than their bats. The highlights of our efforts in the field were the top display of pace bowling from Dewy Williams, and the tremendous running catch by Nick Rainey to remove their captain and most dangerous batsman.

Our batting was dominated by a magnificent TON before tea by Monty. He was well supported by Mark Roberts and Mike Wrathall. It was very pleasing to prove that we could chase a large total and pass it in only the 64th over!

Best Fieldsman: Mike Wrathall and Nick Rainey

Man of the Match: Monty

They won the toss and unexpectedly after a week's rain decided to bat first. After just 49 overs they were all out for 107. Dewy bowled with great accuracy and sustained pace to clean up the top order single handed by taking 6 wickets for 49. Nick and Matt also bowled very well.

Our openers, Mike Hawkins and Mark Roberts batted positively to give us a great start with 54 runs. Monty then hit a quick twenty before we had a middle order wobble, finally hitting the required runs up in the 52nd over.
